**Ed's Holiday Rum Class**

We all know Black Market is a true rum geek's paradise. A vast collection curated by Ed Rudisell himself, and he's ready to drop some of that knowledge for your holiday betterment.

We are going to taste through a curated list of Rum that Ed thinks you should try. He'll show you how to cook with it, how to mix with it, and how to think about the wild and complex array of rum, ron, & rum we offer here at Black Market.

**Eighth Annual Beer Brunch**

Well this is it! The event you've all been waiting for. A cold December morning, Black Market's brunch fare, and BEER! Not just any old beer, well actually some of it is pretty old but that's intentional. We have been cellaring some of these things for years waiting just for this day to break them out. So yeah, not just any old beer here, these are suds we've curated quite intentionally with this particular meal in mind, and the day is nearly upon us.

This year we are offering two seatings, an early seating for those of us looking to get on with our day after a proper Beer Brunch consummation, and an afternoon seating for those of us who like to linger and sip pensively with like-minded libertines.

Refunds up to 7 days before events
