Chardonnay All Day

Sunday March 31, 12:00

You're invited to join us for a roundup of Chardonnay from around the world! We'll be sampling our way through California, Oregon, Italy, Australia, and Burgundy - all while snacking on tasty Chardonnay-friendly bites from Chef Esteban Rosas.

Our Sommelier, Alex Agotsch, will be conducting this guided tasting so you'll learn about the wine, how it's made, and how to be able to choose a nice bottle for yourself the next time you're out. At the end of this excursion, if you have fallen in love with something too tasty to pass up, we will also have bottles available for you to take home.

Seating is VERY LIMITED for this event, and we'll be pouring some special wines, so get your seats early!

Italian Reds I

Sunday April 14, 12:00

Without the Romans we wouldn't have much of what we know and love around the vinous world. The Romans turned viticulture into a hugely successful business, so much so, that many of the ancient wine-producing territories still enjoy some of the highest reputations in the modern wine industry.

And we will introduce you to the greatness that Italy has to offer. Expect a tour of the whole boot - from Piemonte down the coast to Tuscany, Umbria, and Sicily. Because these Old World wines evolved alongside some of the world's most beloved cuisine,

Chef Esteban will be working his magic and preparing an array of Italian treats to accompany these nectars of Bacchus.
